Department: _____

This application is for Tenure only.

A. Article 21.04 says:
"Tenure and promotion to Associate Professor shall be granted on the basis of clear promise of continuing intellectual and professional development as demonstrated by:
   i. sustained satisfactory and effective teaching during the probationary appointment or previous relevant teaching experience; and
   ii. clear evidence of ongoing high quality scholarly or creative work."

B. Article 21.53 says:
"An untenured, probationary faculty member will normally be considered for tenure…after:
   d. the third (3rd) consecutive year of full-time employment as Associate Professor and no later than the third year;

Date of Appointment to Brock as an Associate professor:
July 1, _____

C. Article 21.39 of the *Collective Agreement* says, in part, that it is the responsibility of the Dean to solicit "letters from three arm's-length referees, external to the University, and expert in the candidate's discipline, commenting on the candidate's performance in research and scholarly and/or creative activity." Please provide (separately) the names of five appropriate referees (as per Article 21.39). **The Dean will solicit these letters of evaluation**.

D. Please attach full supporting documentation/information, as outlined on the attachment.
