PROGRAM PLAN FOR BA (PASS) COMMUNITY HEALTH 2010/11

Student Name: _____ ID #: _____ Email: _____@brocku.ca

Credit Value	Year 1		Grade
1.0	CHSC 1F90[a] (see note) Introduction to Community Health Sciences		
1.0	MATH 1F92[a] (see note) Introductory Statistics		
1.0	Humanities Context Credit		
1.0	Science Context Credit (BIOL 1F25 or 1F90 recommended)		
1.0	Elective Credit		

Credit Value	Year 2		Grade
0.5	CHSC 2P07 Biostatistics I		
0.5	CHSC 2P21 The Health of Canadian Society		
0.5	CHSC 2P27 Research Methods in Health		
0.5	CHSC 2P49 Health and Behaviour		
1.0	1.0 credit from CHSC 2P15, 2P40, 2P50, 2P60		
1.0	1.0 credit from CHSC 2F95, 2P09, 2P15, 2P40, 2P50, 2P60, 2P65, 2P90, 2P91, 2P97		
1.0	Elective Credit (must be taken outside the Department of CHSC)		

Credit Value	Year 3[b]		Grade
1.0	CHSC 3F20 Program Planning and Evaluation		
0.5	CHSC 3P07 Biostatistics II		
0.5	CHSC 3P37 Qualitative Research in Health Sciences		
0.5	CHSC 3P50 Health Promotion		
1.0	1.0 credit from CHSC 3P21, 3P26, 3P27, 3P40, 3P59, 3P60, 3P80, 3P94, 3P96		
1.5	Elective credits (at least one credit must be taken outside the Department of CHSC)		

Important Notes:

[a] Minimum 60% in CHSC 1F90 and MATH 1F92 to continue in the program

[b] 60% major average and 60% overall average required for graduation.

It is your responsibility to make sure that you do not take courses which duplicate each other.

Other Notes:

_____

_____

_____

_____

Requirements for Pass Degree (15 credits)

8.0 CHSC credits

4 credits 2(alpha)00 or above

3 credits 2(alpha)90 or above

8 credit maximum of 1(alpha)00 – 1(alpha)99 courses

60% major and 60% overall average

Context Credits (Humanities & Science)

Department of Community Health Sciences Program Planners

www.brocku.ca/chsc

- Program planners are **designed to help students stay on track with course requirements** for degrees within the Department of Community Health Sciences.

- Planners are available for each of the **specialized programs** of study in Child Health (Honours), Community Health (Pass or Articulation Agreements), Health Science (Honours), and Public Health (Honours). Students in the Biomedical Sciences program are asked to speak with the Biology department advisor regarding their program requirements.

- The planners are organized on the website by **Program Requirement Year**. The Program Requirement Year is **the year a student enters the program as a Major**. Students must follow the program outlined in the Brock Undergraduate Calendar (please refer to the online Brock Undergraduate Calendar for the most up-to-date information) that corresponds to the Student's Program Requirement Year (e.g. students who start in September 2009 as Community Health Majors must follow the program prescribed in the Brock 2009/10 Undergraduate Calendar). Please note that **students who interrupt their studies for one or more years** become subject to the Calendar regulations in effect at the time of their re-registration.

- **If changes have been made** from the program requirements outlined in the Brock Undergraduate Calendar, the changes are reflected on the program planners (e.g. changes in course codes).

- When completing a program planner it is recommended that students confirm their Program Requirement Year and the courses they have successfully completed by checking their student record on the **my.brocku.ca Portal system (https://www.brocku.ca/Portal).**

- It is recommended that all students **complete a program planner prior to booking an appointment for program advising** and that they bring their completed planner with them to the appointment.

- It is the **responsibility of each student** to ensure that the courses selected meet their degree requirements and that they adhere to restrictions, course pre-requisites and published deadlines. All courses and programs are subject to enrolment limitations. Not all CHSC courses will be offered every academic year.

(Revised May 2011)
