Department of Recreation and Leisure Studies
Program Planners

- Program planners are **designed to help students stay on track with course requirements** for a Bachelor of Recreation and Leisure Studies degree (BRLS)

- Planners are available for each of the **specialized programs** of study within the BRLS programs.

- The planners are organized on the website by **Program Requirement Year**. The Program Requirement Year is **the year a student enters the program as a Major**. Students must follow the program outlined in the Brock Undergraduate Calendar that corresponds to the Student's Program Requirement Year (e.g. students who start in September 2008 as BRLS Majors must follow the program prescribed in the Brock 2008/09 Undergraduate Calendar). Please note that **students who interrupt their studies for one or more years** become subject to the Calendar regulations in effect at the time of their re-registration.

- **If changes have been made to Years 1, 2 or 3** of the BRLS program requirements from those outlined in the Brock Undergraduate Calendar, the changes are reflected on the program planners (e.g. changes in course codes).

- **If changes have been made to Year 4** of the BRLS program requirements from those outlined in the Brock Undergraduate Calendar, the changes will be communicated in a letter from the Department of Recreation and Leisure Studies to all 4th year students.

- When completing a program planner it is recommended that students confirm their Program Requirement Year and the courses they have successfully completed by checking their student record on the **Brock Student Self-Serve at http://my.brocku.ca**

- It is recommended that all BRLS students **complete a program planner prior to booking an appointment for program advising** and, that they bring their completed planner with them to the appointment.

- It is the **responsibility of each student** to ensure that the courses selected meet their degree requirements and that they adhere to restrictions, course pre-requisites and published deadlines. All courses and programs subject to enrolment limitations. Not all RECL courses may be offered every academic year.
