Social/Personality	5Y71	5Y72	7Y71	7Y72	7Y73

Notes:
D1 = duration 1 = full year course (September - April)
D2 = duration 2 = half year course (September - December)
D3 = duration 3 = half year course (January - April)
FARS = Focus Area Research Seminar

****Developmental Mechanisms FARS** - there is no separate course code for this course this year. If you are interested in attending this FARS you should register in the "normal" FARS that you would be attending which is dependant on your area and level of study (i.e. a 1st year BN MA student would register in PSYC 5Y51, a 2nd year SP PhD student would register in PSYC 7Y72, etc.). Since we will not be able to identify those students attending the DM FARS via registration screens, after you have registered please email lindap@brocku.ca to let her know that you will be attending the DM FARS.
