Secondment Opportunities in Brock University's Teacher Education Program

The teacher education program at Brock University, with campuses in St. Catharines and Hamilton, invites teachers and other school board personnel to apply for **part-time secondment positions**, teaching foundations and/or curriculum courses at the elementary and/or secondary levels during the 2013 - 2014 academic year.

Seconded teachers are typically seconded for a total of 10 or 20 days over the Fall and/or Winter terms.

The Department of Teacher Education will pay directly to seconded teachers the full stipends for the courses they teach. Seconded teachers will be responsible for negotiating with their school board their absence from schools (including any required financial arrangements) during the times they are scheduled to teach at Brock University.

Although we invite expressions of interest related to all subject areas, school board personnel with a minimum of three years full-time teaching experience and expertise in one or more of the following subjects are encouraged to apply:

- Assessment and Evaluation (Elementary and/or Secondary)
- Educational Psychology (Elementary and/or Secondary)
- Instructional Strategies (Elementary, St. Catharines campus)
- Language Arts (Junior/Intermediate, St. Catharines campus)
- Mathematics (Elementary, St. Catharines campus)
- Science (Elementary, St. Catharines campus)
- Special Education (Elementary and/or Secondary)
- Teaching with Technology (Elementary, Hamilton campus)
- Vocal Music (Elementary, Hamilton campus)

Interested teachers and other school board personnel, having first consulted with the respective principal and/or superintendent in their school board, are invited, no later than March 15, 2013, to submit a **cover letter**, **application form,** and **curriculum vitae** following the instructions in the application form.
