Spring Camp Instructor

We are seeking creative and energetic individuals to join our team! Exceptional communication and leadership skills, combined with a strong desire to work with youth are required for this role.

Youth University Spring camps are 1 or 2 night field trip programs held on the Brock University campus for grade 5-8 classrooms from across Ontario.

Spring Camp Instructors facilitate all aspects of the program for the visiting schools (recreation, leadership, science, challenge course, evening program). Instructors are responsible for the organization and care of equipment and space. They assist and run recreational activities and evening programs and assume other organizational and logistical duties as required during camp. Instructors are responsible for maintaining a safe environment both physically and emotionally for the participants.

Instructors report to the Spring Camp Coordinator and Residential Program Manager.

Skills that are an asset and will be developed through the position:

- Program implementation
- Group facilitation
- Classroom management
- Safety management & Risk assessment
- Conflict resolution
- Professionalism
- Problem solving
- Customer service
- Multi-tasking
- Youth programming

Current CPR "C" and Standard First Aid certification, as well as a vulnerable sector clearance will be required prior to employment.

Instructors must be available to work from May 1 to 23 and June 2 to 25, 2014 with potential for a conference contract with the Brock University Congress of the Humanities and Social Sciences 2014.

Salary range will be to a maximum of $2,758.00 for 7 weeks, at $197 per camp instructed.**
**** This salary includes all mandatory training sessions prior to the beginning of camp and vacation pay.**
