Declare or Change Majors

Application Form Guidelines

Please read prior to completing the application

An application to declare or change your major must be approved by the appropriate Department/Centre. Where programs have enrolment limits, admission is not guaranteed by attaining minimum requirements. Please ensure that you check the appropriate Undergraduate Calendar (brocku.ca/webcal) for specific program requirements and progression standards.

It is strongly recommended that you book an advising appointment with the appropriate Faculty, Department, Program or Registrar's Office prior to submitting your application to discuss eligibility for program admission. For a complete list of Academic Advisers and their subsequent contact information, please refer to:
brocku.ca/registrar/advising/departamental-adviser-contact

To allow timely consideration, you should ensure that your application to declare or change your major is submitted prior to registration for the next academic session (for Fall/Winter, preferably by the end of the April exam period).
