

The Department of Dramatic Arts
Invites you to join us as we celebrate the life of

Dr. Marlene Moser

Sunday March 6th 2011

4-6 p.m. @ The Merchant Ale House
98 St. Paul Street, St. Catharines

The Department of Dramatic Arts will be hosting an informal afternoon of live acoustic entertainment with an open mic. We invite you to share your stories and memories of Marlene with us as we remember and celebrate her life.

We look forward to seeing you there, reminiscing and celebrating an influential professor, researcher and friend.

The Department lost a cherished colleague and friend on December 21, 2010. In her honour we have established the *Marlene Moser Memorial Scholarship*.
