Good morning:

Students have been instructed to submit their Ontario Graduate Scholarship (OGS) applications and supporting documentation to their current department/program by October 3, 2011. Please print the attached documents to assist you in editing and reviewing your submitted applications for completeness.

The Ministry is very strict regarding acceptance of OGS competition applications. If application packages are not complete, or if errors are made by submitting the wrong size form, etc. the files will be returned and disqualified from the competition. To avoid any disqualified applications, I have attached documentation to assist you in processing the 2012-13 Ontario Graduate Scholarship (OGS) applications.

The complete application package for each student must be submitted by the department/program on or before Wednesday, October 19, 2011 to the Faculty of Graduate Studies. Please submit all eligible and <u>ineligible</u> applications.

I would like to thank you in advance for all the time and effort put into the completion of the OGS application files. Don't hesitate to contact me with any questions/concerns you may have.

Thank you, Joanne
