## REGULATIONS PERTAINING TO AN APPLICATION FOR A LETTER OF PERMISSION

In order to facilitate the Letter of Permission application process, it is recommended that you submit your application no later than August 1 for Fall Term courses and December 1 for Winter Term courses. Please be advised that because of the heavy volume of applications submitted for Spring/Summer courses, it is to your advantage to apply as early as possible to avoid missing the host institution's registration deadline for these sessions.

Courses taken on a Letter of Permission or on Exchange Programs will be marked as *Pass* or *Fail* and will not be used in determining any student average. The course taken and grade assigned by the host university will, however, appear as a notation on a student's transcript. Courses taken within a designated partnership program with Brock (Freiberg, Summer Studies in Italy) will be used in the determination of a student's average.

1. A Letter of Permission (LOP) must be requested *prior* to the student enrolling at another institution. Courses taken without a Letter of Permission will not normally be assigned transfer credit.
2. A non-refundable fee is charged for each application for a LOP (see page 1). This must be paid at the time of application and is submitted to the Office of the Registrar. Revisions to the application are charged a \$15.00 processing fee. There is a fee to fax the LOP.
3. Brock credit will not be granted to students who Challenge for Credit, on Letter of Permission, at the host institution.

**Note:** LOPs are sent to Ontario universities via the Inter-University Transit System (IUTS) and normally take two days for delivery. Other LOPs are sent via Canada Post.

4. This application must be submitted to the Office of the Registrar together with the fee and a photocopy of the course description(s) from the Calendar of the host institution.
5. Please ensure that the campus or college of the host institution is included (if applicable); applications not including this information will be sent to the Admissions Office of the host institution.
6. A LOP will be issued provided the following conditions are satisfied:
  - the course is relevant to a degree program
  - the course is approved for a Brock equivalent
  - the student has completed a minimum of five credits at Brock\*\* and has a minimum overall average of 60 percent\*\* (Not applicable to ADED applicants.)
  - applicant may only take a maximum of 5.0 credits on a Letter of Permission towards a Brock degree
7. It is the student's responsibility to submit this application well in advance of any deadline imposed by the host institution. (See note above.)
8. Students who do not register in or withdraw from approved LOP courses, must request that the host institution submit written verification of this fact or a failing grade (00F) will be assigned.
9. Students must arrange to have an official transcript sent directly from the host institution to Brock's Office of the Registrar. This must be done within eight weeks of the course end date submitted to Brock University or a failing grade (00F) will be assigned.
10. Normally, only two of the last five credits needed to satisfy degree requirements may be taken on LOP. (Not applicable to ADED and exchange program students.) Exemption to this regulation may be granted by the Dean of the student's faculty. A statement including specific and reasonable grounds for exemption must be submitted to your Dean.
11. Students completing the last credit(s) for their degree on a LOP, must have their **official** transcript, from the host institution, sent to the Office of the Registrar prior to **May 15** for Spring Convocation and prior to **September 15** for Fall Convocation. Students not meeting these deadlines will not be eligible to graduate and must reapply for the next Convocation ceremony.

\*\* Student-specific information (including accumulated credits and overall average) is available to every Brock student through the on-line registration system, at [www.brocku.ca/registrar](http://www.brocku.ca/registrar), by clicking on "Student Self-Service."
