Raven Stole the Sun, is a fabulous and magical creature of impulse and curiosity, who is obsessed by three mysterious boxes. A Chief, living alone in the forest with his beautiful daughter, has locked away the stars, the moon and the sun, plunging the world into perpetual darkness. Raven hatches a brilliant scheme for stealing the stars, the moon and the sun and ends up bringing light to the people of the world.

"Raven Stole the Sun" was presented in part at the 2011 Arts Matter Conference by Prologue to the Performing Arts.
