Consultation Guidelines

A-Z Learning Services staff are professionals committed to helping you with your writing and study skills. All instructors can assist you with any general academic concern regardless of their area of specialty.

- The consultation objective is to assist you in improving your academic skills.
- As A-Z Learning Services focuses on the learning process, staff will not edit essays or solve problems for students or review assignments the day they are due.
- Consultations are between 20-30 minutes in length depending on the nature of the topic.
- Please bring samples of your work or assignment to the consultation.
