

## Lindsey Short

**Focus:** Lifespan Development

**Thesis Advisor:** Cathy Mondloch

**Formal Education:** B. A. in psychology, Wittenberg University; M. A. in developmental psychology, Brock University

### Publications:

Fu, G., Mondloch, C. J., Ding, X., Short, L. A., Sun, L., & Lee, K. (in press). The neural correlates of the face attractiveness aftereffect: A functional near-infrared spectroscopy (fNIRS) study. *NeuroImage*.

Wang, Q., Hu, C., Short, L. A., & Fu, G. (2012). The influence of shyness on the scanning of own- and other-race faces in adults. *PLoS One*, 7(12), e52203: 1-8.

Hu, C., Wang, Q., Short, L. A., & Fu, G. (2012). Speech spectrum's correlation with speakers' Eysenck personality traits. *PLoS One*, 7(3), e33906: 1-5.

Short, L. A., Mondloch, C. J., McCormick, C. M., Carré, J. M., Ma, R., Fu, G., & Lee, K. (2012). Detection of propensity for aggression based on facial structure irrespective of face race. *Evolution and Human Behavior*, 33, 121-129.

Short, L. A., Hatry, A. J., & Mondloch, C. J. (2011). The development of norm-based coding and race-specific face prototypes: An examination of 5- and 8-year-olds' face space. *Journal of Experimental Child Psychology*, 108(2), 338-357.

Short, L. A., & Mondloch, C. J. (2010). The importance of social factors is a matter of perception. *Perception*, 39(11), 1562-1564.

Anes, M. D., & Short, L. A. (2009). Adult-like competence in perceptual encoding of facial configuration by the right hemisphere emerges after 10 years of age. *Perception*, 38(3), 333-342.

### Conference Presentations:

Short, L. A., Lee, K., Zhang, W., Fu, G., & Mondloch, C. J. (2013, April). *The organization of 5-year-olds' face space: Early experience does not drive the development of category-specific face prototypes*. Talk presented at the Society for Research in Child Development, Seattle, WA.

Short, L. A., Hackland, A. T., & Mondloch, C. J. (2013, April). *Detecting normality in faces of various ages: A bias for young adult faces?* Poster presented at the Society for Research in Child Development, Seattle, WA.

Short, L. A., & Mondloch, C. J. (2012, December). *A bias for young adult faces?: Examining performance for young versus older adult faces across four cognitive and perceptual tasks*. Talk presented at the Southern Ontario Face Perception Conference, Ontario, Canada.

Mondloch, C. J., Fu, G., Ding, X., Short, L. A., Sun, L., & Lee, K. (2012, October). *The neural correlates of the face attractiveness aftereffect: A functional near-infrared spectroscopy (fNIRS) study*. Poster presented at the Second Biennial Functional Near Infrared Spectroscopy Conference, London, England.

Kloth, N., Short, L. A., & Rhodes, G. (2012, September). *Attentional preference for attractive faces*. Poster presented at the European Conference on Visual Perception, Sardinia, Italy.

Short, L. A., & Mondloch, C. M. (2012, May). *Aging faces and aging perceivers: Are there developmental changes in face space later in life?* Poster presented at the Twelfth Annual Meeting of the Vision Sciences Society, Naples, FL.

Kloth, N., Short, L. A., Rhodes, G. (2012, April). *Attentional preference for attractive faces*. Poster presented at the Australasian Experimental Psychology Conference, Sydney, New South Wales, Australia.

Short, L. A., & Mondloch, C. J. (2011, May). *The organization of young children's face space: Complete transfer of aftereffects from own- to other-race faces in 5-year-olds*. Poster presented at the Eleventh Annual Meeting of the Vision Sciences Society, Naples, FL.

Short, L. A. (2011, April). *The development of race-specific face prototypes: A cross-cultural approach*. Invited talk given at the International Conference on Social Cognition and Neuroscience, Zhejiang Sci-Tech University, Hangzhou, China.

Short, L. A., & Mondloch, C. J. (2010, May). *Is social categorization alone sufficient to induce opposing face aftereffects?* Poster presented at the Tenth Annual Meeting of the Vision Sciences Society, Naples, FL.

McCormick, C. M., Mondloch, C. J., Carré, J. M., & Short, L. A. (2010, May). *The facial width-to-height ratio as a basis for estimating aggression from emotionally neutral faces*. Poster presented at the Tenth Annual Meeting of the Vision Sciences Society, Naples, FL.

Short, L. A., & Mondloch, C. J. (2010, April). *The development of category-contingent face prototypes: An examination of opposing attractiveness aftereffects in five-year-old children*. Poster presented at the Seventeenth Annual Meeting of the Cognitive Neuroscience Society, Montreal, QC.

Mondloch, C. J., Hatry, A. J., & Short, L. A. (2009, May). *The development of face prototypes: Evidence for simple and opposing aftereffects in children*. Poster presented at the Ninth Annual Meeting of the Vision Sciences Society, Naples, FL.

Short, L. A., Longfield, D. H., Talvitie, P., & Mondloch, C. J. (2009, May). *Forgetting faces in a crowd: Faster memory decay for other-race faces?* Poster presented at the Ninth Annual Meeting of the Vision Sciences Society, Naples, FL.

Anes, M. D., Short, L. A., Storer, J., & Del Grosso, N. (2008, May). *Hemispheric specialization for face processing revealed by use of Thatcherized and feature distorted faces*. Poster presented at the Eighth Annual Meeting of the Vision Sciences Society, Naples, FL.

Short, L. A., & Anes, M. D. (2008, April). *Hemispheric specialization for sensitivity to facial configuration in children ages 8 to 13 and adults*. Poster presented at the National Conference on Undergraduate Research, Salisbury University, MD.

Research Apprenticeships:

Visiting researcher at the Face Lab at the University of Western Australia, supervised by Gillian Rhodes, September-November 2011.

Visiting researcher at Zhejiang Normal University, Jinhua, China, supervised by Kang Lee, March-April 2011.
