KEY PAD CHARGES

Recommended for areas that do not contain valuable equipment, but where you would be ordering 15 keys or more. It is more economical than to have extra keys cut every term and then having a lock change done because not all the keys were returned to the department. The department can change the access numbers at their discretion as the Locksmiths are not needed for this.

2 hours of labour (@\$38.90 per hour) = \$77.80

1 key pad unit \$895.47 (includes tax and freight)

Total Cost \$937.27

SWIPE CARD CHARGES

Facilities Management Locksmiths maintain a small number of swipe card systems. Their charges for making changes to the units are:

1 -10 cards/Hr - \$38.90 (Unit cost)

Total Cost \$38.90 (or higher)
