BROCK UNIVERSITY

Welcome to the Berg!!!

Hello Lowenberger residents of 2013-2014 year!

Welcome to Brock and to Residence! My name is Alyssa Rossi and I am the head Resident for Lowenberger Residence. I am a fourth year drama student aspiring to pursue teacher's college after my bachelors degree. I love to role model positive behaviour and assist others by offering my insights and experience. Don't hesitate to get to know me as a person or ask me anything you want to know about Brock and residence because I am passionate about both!

I hope you are as excited as I am to be living in Lowenberger this year! The dons of Lowenberger are certainly excited to greet you in September and to get to know you. I and all of the Residence Life Staff eagerly await your arrival. I truly believe that together we can make this year in residence an unforgettable experience!

Lowenberger Cup

What is the Lowenberger Cup? The Lowenberger Crew (a bunch of students) run events throughout the year and at each event, the halls in Lowenberger win points. These points are tallied up at the end of the year and the house with the most points wins the Lowenberger Cup. The 2012-13 Cup went to Ravens Hall. You can get involved this year by joining Lowenberger Crew or simply by attending events with your hall...the

Lowenberger Hall Award Winners 2012-2013 (this could be you!)

So, you may be wondering what it is like to live in residence? Well, it's not the same as living off campus in a house.....when you live in residence there are so many more opportunities to meet people and get involved in different things on campus.

In residence we have a few different groups that you can join:

- Lowenberger Crew
- The Residence Action Council (RAC)
- Actively Acting out

Plus you can get involved in our Residence Service Learning projects, alternative spring break trips, attend residence events, get involved in your house as a fire warden, help your Don out with various tasks or even join an intramural team.

The thing to remember is that you will have time to get involved. Some students are

afraid to get involved in their first year because they aren't sure how much school work they'll have....you'll have lots but you will also have to have some fun and being involved in any of these groups is not a huge commitment and it will help you in the future if you want to become a Don, or just to add things to your resume.

More information about these groups and how to get involved are on the residence website: www.brocku.ca/residence.
