Program	Degree	Level*	QC Category of Modification	Description of Major Modification	ARC approval	Senate approval	Date Effective
Master of Applied Health Sciences	MA	G	Closure of a field, option; Revise course titles & descriptions	Existing program has 4 specializations, one being Leisure Studies. Modification removes this specialization and adds 2 new fields of study: 1) Leisure, Health & Wellbeing and 2) Recreation, Sport & Community. Associated with modification are the necessary revisions to a select number of course titles and descriptions.	09/21/2022	10/05/2022	09/01/2023
BSc in Computing & Network Communications	BSc	UG	Closure of Program	Following its latest review, the institutions have agreed that the program (established almost 20 years ago) is no longer viable. There is low student interest, high attrition, and obsolete curriculum. Students currently enrolled will be allowed to finish their studies.	03/15/2023	03/22/2023	05/01/2023
Bachelor of Education - Adult Education	BEd	UG	Closure of Program	Department requested program discontinuation as an outcome of the newly approved 20 credit BA ADED (Honours) degree. There is no longer a need for this 15 credit BEd ADED (Pass) degree. Students wishing to complete it will be given 7 years to do so.	03/29/2023	04/19/2023	04/30/2023
Master of Education	MEd	G	Change Mode of Delivery; Increase online course offerings	This change in delivery mode (courses offered online in addition to face-to-face) provides students with greater flexibility and enables Brock to expand the scope of recruitment beyond Southern ON. Students can now complete the program in-person, online or a combination of both.	01/11/2023	01/18/2023	07/01/2023
Maser of Business Adminstration	MBA	G	Reversing instructional delivery (MPH-MBA) improved dual degree option	Upon review of MBA-Master of Public Health (MPH) two-year concurrent degrees' program the need to reorder the instructional delivery was identified,	02/15/2023	03/22/2023	09/01/2023

				<p>resulting in a new and improved dual degree option over 2 years. It makes the 2 degrees consecutive rather than concurrent. Associated with modification are necessary revisions to a select number of elective courses within the MPH and MBA programs.</p>			
Bachelor of Recreation & Leisure Studies	BRLS	UG	Add specialization, honours, option, concentration, stream	<p>Currently students pursuing a 20 credit BRLS degree must select 1 of 3 concentrations at the time of admission. This modification provides an overarching degree option: the addition of a no concentration option, creating a general 4 year degree. It provides flexibility to the student and consistency with other programs across campus.</p>	05/24/2023	05/31/2023	09/01/2023
