The Faculty of Education and the Department of Mathematics & Statistics look forward to holding

The Canadian Math Kangaroo Contest

March 29, 2015 – 11:00 am

Room: AS 202

- An international mathematics contest for students in grade 1 to grade 12
- Introduce youngsters from grade 1 to grade 12 to math challenges in a fun and enjoyable way

- Offered in both French and English
- Last year, it had over 6 million participants worldwide
- Successful first annual contest held at Brock University in March 2014
